**Re: New Millennium Political Action Committee
FEC Identification #C00349233**

Dear Sir or Madam:

Attached please find the New Millennium PAC's Pre-General FEC report.

The New Millennium PAC uses Aristotle software to prepare its reports and to track its receipts and disbursements. The Committee has noticed certain discrepancies in the figures appearing on the Cover Page and the Detailed Summary Page when we print our reports. We have manually altered the cover pages of the current report to show what we believe are the correct summary figures.

We are aware that other political committees are experiencing similar problems with their Aristotle software. We are currently working with Aristotle to solve this problem and will file the appropriate amendments to previous reports as soon as possible. If you have any questions, please feel free to contact the Committee.

Very truly yours,
